ANDRE MACEDO

FULL STACK DEVELOPER

Hello! I'm André Macedo, a middle-level Full Stack developer from Portugal, proficient in technologies such as ReactJS, NextJS, Prisma, and TailwindCSS. I have a degree in Network Engineering and hold valuable certifications, including Cisco CCNA, Azure, and AWS. My portfolio (andremacedo.pt) reflects my commitment to delivering innovative and high-quality solutions. I am eager to join your company, combining my technical expertise and passion in the development of impactful and revolutionary projects. Let's build a bright future together!

EXPERIENCE

2020 - 2021

Full Stack Developer

At my previous company, I excelled in PHP for client website management and crafted user-friendly login interfaces with HTML, CSS, and Bootstrap. I handled domain acquisition, DNS configuration, and provided troubleshooting support for Cisco devices. My proactive approach will bring innovative, high-quality solutions to your company.

2021 - 2022

Netwotk Engineer

As a NOC specialist, I collaborated with high-profile clients such as Galp, Benfica, BP, and Zara, enhancing their networks with Cisco and Azure solutions. My dedication and skill ensured stable and secure IT infrastructures, driving the success of these companies and showcasing my commitment to excellence.

2021 - 2022

Front End Developer

Development of customised emails to advertise new drugs and treatments, landing pages for new physicians and clients using html, css, bootstrap, javascript and php
